

Allegiance

Hello Mark,

I can't blame Disney for refusing to jump into the political foray. Their premise is to put smiles on children's faces, not promote political agenda one way or another. Good for them!

Kevin

Dear All,

We hope this finds you well and in good spirit.

Not to argue semantics here, but we believe you have missed the point of the article. This is about control... control over every aspect of your life... to the point of servitude (slavery) to the beast system. <http://i.am/jah/syst.htm>
The Zionist, so-called "Jewish" Elite control all of the mainstream media in this country. We have forwarded many articles revealing this fact. Disney is but one of the eight major corporate media conglomerates.

Christ's Revelation to his Apostle John

2:9 I know thy works, and tribulation, and poverty, (but thou art rich) and [I know] the blasphemy of them which say they are Jews, and are NOT, but [are] (Idumeans) the synagogue of Satan.

Have you ever seen the movie "The Wizard of Oz"? Well hopefully you have. In the end the little dog Toto unmasks the power behind the wizard by pulling back the "curtain" revealing a selfish old man pulling a bunch of levers, by which he controls the "grand illusion". The old man has no more power to grant any wishes to the "seekers", than any other person on this planet. We have all been mind-controlled from cradle to grave to keep us all away from The Truth, which is True Freedom in servitude to God, through His Laws (The Way).

Have you seen the new movie "The Last Samurai" with Tom Cruz? The Samurai, through constant discipline, focus, pursuit of Truth and practice to perfection, live in relative peace and harmony with nature. They do so by living by 'The Way of The Sword' (a.k.a. The Truth). We are told in the movie that they lived harmoniously for a thousand years this way until greedy and evil men attack them to destroy all that they stand for, calling them the barbarians in the process.

The main character Nathan (played by Tom Cruz), a Civil War hero initially helping the Imperial Powers opposing the Samurai, comes to realize that the Samurai people are not the barbarian enemy, as he had been led to believe by the greedy power elite, but they hold the key to true honor and freedom, even from his own demons.

<http://i.am/jah/300.htm>

In the end he eventually risks his human life to fight for and with the Samurai, for the principle of True Freedom and Justice. Simply put: for what is right.

How does this relate to Disney? Well first they portray themselves as something they are not - the Wizard of Oz - whereas, in reality, they are more like the greedy old man pulling the levers. If memory serves, Disney was the producer of the recent half-time Super Bowl show where Ms. Jackson intentionally bared her breast to millions. This is simply more "shock" conditioning to further break down the moral fiber of this country; not that much more is needed. The point being that these huge media/TV conglomerations control all of the mainstream media we have been watching in this country ever since its Hollywood birth and who do you think is behind all of the "programming" in the first place? The so called Jewish Zionist Elite, who want nothing more than to destroy the "christian" moral compass in this country in order to bring Amerika down to a third world degenerate state, so they can easily force all of the Amerikas into their communist/socialist NWOrder, one world government plan (The Satan mimic/counterfeit of God's Heavenly Kingdom on Earth).

<http://i.am/jah/plan.htm>

According to their plans the new Pan Amerikan Union will consist of Canada, The United States, Mexico and all of South Amerika. We will be forced to use a Pan Amerikan currency in preparation for their eventual cashless society were the state is god, and everything you do will be tracked and traced. Total Control... Tyranny...

Totalitarianism... Slavery.

<http://i.am/jah/workers.htm>

We really don't concern our self much with Michael Moore since he has played right into the side of the Liberals, helping to portray all who stand up against the state/government as kooks; more programming. We have to be able to step off of the playing field altogether in order to see clearly and discern The Truth from the Lies. The NWOrder Elite control both sides of the argument. So whether you buy into their argument on the right or on the left, you buy right into their programming; either way they/Satan wins again.

King of kings' Bible - Deuteronomy 5:32 Ye shall observe to do therefore as the "I AM" your God hath commanded you: ye shall not turn aside to the right hand or to the left.
5:33 Ye shall walk in all the ways which the "I AM" your God hath commanded you, that ye may live, and [that it may be] well with you, and [that] ye may prolong [your] days in the land which ye shall possess.

This is All an illusion. The only Truth We have is/was given by God, in The Way (The Torah), also as EXAMPLED by Jesus Christ (the incarnate/embodiment) of The Law/The Way and later reconfirmed through the Prophet Mohammed in the Holy Koran. This is all about allegiance, whom will we believe... God through His ever True Word or Satan and his mimic counterfeiting spirit through this materialistic insane world? This is the same question we were all asked in the Garden of Eden (as is explained in detail in "The Way home or face The Fire"*), this is why we are all still here, we have all been choosing wrong.

* <http://i.am/jah/wayad.htm>

We all still have the choice, however time is short before The Last Day, as God has promised... when in it wicked* shall have an end.

<http://i.am/jah/signs.htm>

* all those who are not Living by God's Royal Laws of Liberty.

May peace be upon you and your house.
