

## **The Problem is we are ALL Insane (save One)**

Dear All,

I hope this finds you well and in good spirit.

I don't write very often, but felt compelled to share what I was shown this morning. I give all credit and glory to our Father in Heaven.

Several definitions of insanity are as follows:

In-san-i-ty: 3 a : extreme folly or unreasonableness b : something utterly foolish or unreasonable.

(Merriam Webster's Collegiate Dictionary, Tenth Edition 1993, page 604.)

In-san-i-ty: 1. lack of reason or good sense: extreme foolishness or act that demonstrates it.

(Microsoft Works Version 8.0, Copyright 1987-2004 Microsoft Corporation.)

Most of us have also heard that "repeating the same act, expecting different results", is a sign of insanity.

Believing that a lie is the truth, and that the truth is a lie, is the correct definition of insanity.

So where are we going with this. It is fair to say that most people don't get up in the morning, look at their self in the mirror and say, "I'm insane". The facts below reveal a different story though; that the problem is we are ALL insane; save One.

First let me remind you of two events which took place approximately one year ago. Last year at the height of the hurricane season hurricane Francis and Jean slammed into the Southeastern Florida Coast. At the time the people of that region were desperate for help. The call went out to FEMA for aid, yet news reports and first hand accounts state that FEMA actually turned back aid and hampered efforts to help those desperate people. We can all remember traffic jams along I-95, with people waiting to get in to the region with aid, only to be held up or turned back by FEMA; while thousands suffered without food, water or power. This year the people of Louisiana and Texas suffered what has been classified as two "super storm" hurricanes, which slammed into the Gulf Coast region. Their first reaction was to cry for help from the same government which gave them FEMA, and when FEMA repeated their performance as exemplified above, people shook their head and said, "What happened, why didn't they help us". When in reality they gave the same result as the previous year. The problem is we are ALL insane and expecting different results.

Let me please give you another example. The Vietnam War was a decade long war which

most people would look back on as unnecessary and foolish. In short, an illegal war for drugs, oil and money to further the interests of the military industrial complex at the expense of “We The People” and approximately 56,000 American lives; not to mention the horrendous cost to the people of Vietnam. Throughout the decade people protested the war in various ways, some even took their own lives in protest as exemplified by news reel footage. Most have seen footage of Buddhist monks burning themselves alive. Yet in reality history reveals that the military industrial complex didn’t decide to leave Vietnam until they had accomplished their goals of further weakening and demoralizing the American people (destruction of capital/lives, sex drugs and rock n roll.), making sure that we failed in our freedom mission and ensuring communism another strong hold. Yet three decades later the American people have been conned into yet another war for oil and money, against the sovereign country of Iraq. Put simply, to serve the agenda of the elite, the Zionist military industrial complex lords (baalism). Should we be so surprised if the so-called “mission of freedom” fails (as is currently being reported) and fascism or communism prevails. Again the problem is that we are ALL insane, expecting different results from the same people who gave us all the wars throughout history.

I could go on with example after example, however at this point I hope that you are getting my meaning. We continue to put our faith into greedy evil corrupt men and women (“promising peace when there was no peace”) expecting different results when God’s first great commandment, commands (not a request) differently. Yet year after year we turn back to these same people (false gods/idols/prophets), expecting different results. That’s insanity.

### **Deuteronomy 5:7 Thou shalt have none other gods before Me.**

1. YOU shall love, honour, cherish & obey the Lord your God (love good & truth) with ALL your heart, with ALL your mind, with ALL your soul & with ALL your strength & Him ONLY shall you serve & OBEY, forsaking ALL others. (The Way home or face The Fire, JAH Publications 2002, page 160.) Found for free at <http://jahtruth.net/twh.pdf>

Those of us who are beginning to wake up and figure out that there is something extremely wrong with government are turning back to the very instrument of the corruption. How many of you have engaged in a government approved demonstration or petitioned your so-called representatives? A very good friend of mine likened this to going to the mafia boss, telling him that we have figured out his extortion racket, and expecting him to say, “Okay you caught me, now I’ll stop extorting and killing and give you back all of your possessions, shame on me”. In reality, we all know that would never happen. Then why is it that we expect different results from government (a more highly evolved and better organized version of the mafia extortion racket). Again, the problem is that we are ALL insane, expecting different results, save One.

## The Problem is we are ALL Insane (save One)

So what is the answer and who is the One. You have already been given part of the answer above. We put our faith in and follow false prophets (politicians and religious leaders) instead of in Father and Son/Sun, by following The Way.

Jesus told us that we are all sinners (every single person on this planet, save him), and that no one gets to go home to Father except by following his example. Why, because we are all sinners (insane: won't follow God's Way) and need to learn from Father and Son/Sun how to be good and sane (following Jesus Christ's example and teaching). Do you really think God is going to release a bunch of insane souls out into the universe, to destroy the universe like we are destroying this planet?

John 14:6 Jesus saith unto him, **I am The Way, the Truth, and the Life: NOT one man cometh unto the Father, EXCEPT by me.**

Unfortunately the majority of us look at this corrupt evil insane world today and point the finger at everyone else and say, "It's not me". But is it really "not you"? Jesus said we are ALL sinners. May I have a show of hands please, of everyone on this planet that is living by God's Royal Laws of Liberty, as given to the nation of Israel, by Moses in Horeb, for ALL mankind to learn? Not just the Ten Commandments, but the entire Law written in the first five books of The Bible, also known as the Torah or Pentateuch; living by God's Law and His ALONE, the same Law that governs the rest of the universe. So did you raise your hand? If not, why?

We were commanded in Deuteronomy to keep The Covenant forever and teach it to our children's, children's children in perpetuity. By doing this we were promised a sane world with peace prosperity and abundance. Yet we did not listen expecting different results.

We were told not to legislate, making up selfish and evil man-made laws. Yet we did not listen and today we have over 2.5 million laws at the federal level alone. One of the laws being, "ignorance of the law is no excuse". THAT'S INSANE.

Deuteronomy 4:2 **Ye shall not ADD unto the word** which I command you, **neither shall ye diminish [ought] from it**, that ye may keep the **Commandments** of the "I AM" your God which I **COMMAND** you.

Jesus Christ confirmed that God's Laws are the ONLY legal laws for this planet in the book of Matthew and was the Living example of The Law.

Matthew 5:17 **Think not that I am come to destroy The Law, or the Prophets: I am not come to destroy, but to fulfill.**

5:18 **For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no way pass from The Law, till all be fulfilled.**

## The Problem is we are ALL Insane (save One)

When correctly translated, "fulfill" means to fully preach. Yet we still DO NOT listen, we turn back towards evil unjustified men and their laws (behind which is Satan) for the answers, when the only sane solution has been staring us in the face the whole time. If we don't learn to be good, follow a sane example (Jesus Christ), God has told us what the consequence will be. He has even promised to send us help, a reminder of what we have to DO to get it right before it's too late.

Malachi 4:1 For, behold, the Day cometh, that shall burn like an oven; and **all** the proud, yea, and **all** that do wickedly, shall be stubble: and the day that cometh shall burn them up, saith the "I AM" Lord of hosts, that it shall leave of them neither **root** nor **branch** (nothing).

4:2 But unto you that fear My name shall the Sun of Righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall.

4:3 And ye shall tread down the wicked; for they shall be **ashes** under the soles of your feet in The Day that I shall do [this], saith the "I AM" Lord of hosts.

4:4 Remember ye and return to The Law of Moses My servant, which I commanded unto him in Horeb for **all** Israel, [with] the Statutes and Judgments.

4:5 Behold, I will send you Elijah the Prophet before the coming of the great and dreadful Day of the "I AM" (Sura 43:61):

4:6 And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse.

But the problem is that we are ALL insane (with most not knowing they're insane), following Satan's evil man made laws and heading straight into The Fire. In reality the answer is that we must follow the ONLY SANE person on this planet; learn to be good by following his example and return to following God's Royal Laws of Liberty, before it is too late. That includes abolishing ALL evil/insane (Satan inspired) man-made laws.

God always keeps His ever sure Word. So if you don't want to be a companion of The Fire, I strongly suggest that you read, [The Way home or face The Fire](http://jahtruth.net/twh.pdf), by JAH found for free at <http://jahtruth.net/twh.pdf>. The free-will choice is yours; please keep in mind though that time is running out.

From one inmate to another; is this not a prison-planet for the criminally-insane, with the best of the worst (meaning the most insane) running it and the majority following?

May God Bless and keep you,

Mark
